

OCTOBER 2020 NEWSLETTER

We made it! Fall is here! College football has returned, chili might be on the menu, deer season is on the horizon, leaves are turning...did I mention chili? The mask mandate has been extended for our state for another five weeks, so go forth and practice safe breathing. Enjoy the beautiful weather and the outdoors.

As with everything else, the COVID restrictions interfered with our normal plans. Under normal circumstances, an annual meeting is held in late spring or early summer to discuss club plans, finances, and plan for the future. Unfortunately, the state has extended the “stay at home – mask mandatory” mandate until November 8. This puts us into deer season and college football and seriously limits the date and location selection. With all of this taken into consideration, the annual meeting (and all related business) will be postponed until spring 2021. There are some transitional changes that have occurred to maintain operations. Some of the officers have transitioned to accept or assume other duties and this is noted in this list.

President – Woody Baird (unchanged)

Vice President – Paul Warren (accepted position in transition)

Treasurer – Eb Spink working with Scott Watson to ensure a smooth transition and a continued positive, secure control of our finances

Secretary – Tim Courtney (unchanged)

If there are any questions, complaints, or suggestions about this process, please direct them to me and I will see that they are addressed.

DUES! DUES! DUES! DUES! DUES! DUES! DUES! DUES! DUES! DUES! DUES! DUES! DUES!

There are a couple of critical elections on the horizon. First, the municipal run-off on Tuesday, October 6. I have made no secret about throwing my support to my friend Woody Baird. If you want to change the trajectory of the future of Alexander City, use your vote and do it.

The Presidential Election in November may be the most important in my lifetime. It is no longer a single issue – the Second Amendment – that drives my vote. When one party refuses to condemn the rioting and looting of American cities, embraces the ideals of Socialism, promises to raise your taxes, threatens retaliation against Republicans, openly declares that they do not work for the people and will make every effort to confiscate privately owned firearms, there has to be a mass turnout of voters to show American opposition. I will be one of these voters. Will you?

The stake in personal defense is your life. Col. William "Jeff" Cooper

See you at the range!
